Heather was a little girl...

...who always fell in the water.

She didn't mean to do it.

She didn't enjoy it.

But she fell in the water nearly every day,
especially when she was wearing her good clothes.

Heather's parents were worried for her safety,
so they made her wear water wings all the time.

One day her parents took her to visit a farm.

Heather fell in the water.

They took her to an art gallery.

Heather fell in the water.
